THE JOB OF SUPERINTENDENT of a division of the Central Washington Fair isn't all planning and paper work by any means. Mrs. Frank Shields, center, and Mrs. Lloyd J. Sherry, right, co-superintendents of the Floriculture Division, spruce up fixtures for the flower show with the assistance of Mrs. Edgar Asbury.

RECORD ENTRY LIST in the dairy goat division will keep Mrs. Ruth Lamson of Naches, superintendent, busy from now until after the fair is over.

FRANK RICHES, Buena Hereford breeder, is superintendent of the Livestock Division of the Central Washington Fair.

SHEAVES OF GRASS form decorative background in field crops section, of which Harold Adams is superintendent.
