Dear Mr. Relander — Could
you tell me where I could buy
a copy of the book-let about
"Yakima" - I can't seem to locate
it in Seattle tho have tried
Hartmans and Mr Todd of Shoreys.
Have been interested in Northwest
& Alaska books for a long time -
maybe because came here to Seattle
in '98 and later made 19 trips up
in the Yukon Territory - from Dawson -
Do you by any chance know
Dean Guice - if you do - ask him
if he remembers his pint pony he
used to ride & make all the rest of us
envious - also the Halloween parties at
Judge Hatchers & Jeannette & Helen - Broadway
Highschool and all the good times

we had while growing up - I
have his book "Bogles in
the Valley" & hope to be able
to drive over this summer &
visit Fort Simcoe - as I have
enjoyed reading it so much -
well I have gotten away off
the subject have I not - I
do want the book on "Yabwina"
& hope you can tell me where
to buy it - Thanking you
for any information - Sincerely

Dear Mr. Relander -

Thank

you for the very nice
and informative letter
am glad you waited
& took time to write
such an interesting one -
have sent to Broads
Stationery Store in Yakima
to see if they still have

either booklet on hand.
should get a reply one of
these days - what an
interesting life you must
have with your writings
and work - I have a fairly
large file on No-wrest &
Seattle - have always wanted
to write but till now - no
leisure time - now maybe
will to to & take seasons - years
ago in college took some journal
but have been drawing plans &
building etc - now the Doran left
no Dec 27 - heart & must look
ends. E. Doran
