Dear Click:

I've almost two months
I've been trying to get some
addresses from one Miss
Jeanne Phillips and for
some selfish reason I
suppose, she hasn't retaliated.
I've wanted to write to Dee
Dee and Sylvia & Patti,
however as said I don't
know how to get in touch
with them and vice-versa

I'm glad to be home,
The weather has been fair,
and the people just the
same - friendly enough.

Hope you are enjoying
the summer and in

good health & spirits.

If you could send
me a few addresses like
it would very much be
appreciated for I miss
the kids and think about
them pretty much - especially
Dee Dee & Jackie & Bobby,
and of course it'd be
nice hearing from Jan also.
Love & all

Janet

P.S. Don't mention the reason for
this letter to Jeanne - please?
