Mr. Click Belander,
Yakima Republic,
Yakima, Washington.

Dear Mr. Belander,

I have just read an
article in the Seattle Times
by Byron Lisk about the
Yakima Indian Centennial.
In it he mentioned a
brochure entitled "The

Yaponesia, 1855-1955.

Could it be possible to
obtain a copy of this
booklet to add to our
collection on Northwest Indians?
I would greatly appreciate
knowing where I should
send and the price for copy.

Yours truly,
Mrs. Douglas Cairns

Dear Mr. Relander:

I wish to apologize
for my long delay in
writing to you. especially
since you were so
kind to answer my
letter immediately and
to enclose all those

clippings and the back
about the Epitomes for
which I asked. I do
thank you.

I am sending along
a check for \$5.00 for
the Fort Snare restoration
project at Fort Snare.
We have visited the
grounds and buildings
there and have
reached, with great

interest, the excellent
work in progress.

The buildings and
the setting at Inuit
Inuit are truly beautiful
and we are fortunate
that they are being
preserved. The Society
and all concerned with
it should be most

proof of a job well
done on August 12,
which I believe is the
day for its dedication.

Are you planning to
be in Seattle soon for
publication notes of your
book? I will be looking
forward to seeing you
there.

Sincerely yours,
Mrs. Douglas Cairns
