Friend Click:

I read in the paper the other night about your recent advancement and I want to congratulate you and wish you all srccess. Always a pleasure to see the old home town boys make good. It would be better of course if you were back here as Managing Editor of the Visalia-Times Delta.

Maybe you can come back some time and buy the sheet.

Everything is going along fine here. Have a big City election Monda y. Have contests for both school board and the CAty Council.

Hymie Mitchell died this morning and Mrs. Jos. Shaffer also died today. Shewas Charlie Tognie's sister.

Well good luck Click and I hope you kept Lent in good shape. Give my regards to tHe wife.

Sincerely

N. F. Bradley
