Miss Lennie:

My records show my salary to you for the quarter,
July, August and September amounted to \$91.

I have sent taxes in the amount of \$4.55 to cover this period.
I applied for a "payment number" last July to the Collector Internal
Revenue, Tacoma and three weeks ago "reapplied" when no number had been
assigned.

I will have complete records of payments ~~xxxxx~~, ~~xxxxx~~ salary to you
and taxes in case these are later needed for your Social Security
accounting.

The \$91 for the quarter was a little higher than I should
normally budget.

I should be home around 4 today in case you come, and will see
you get uptown.

Sincerely
