## Mabton Library Takes Part In Summer Reading

MABTON - "Button Club" is the name of the summer reading program which begins at the Mabton Community Library, June 8. The library is one of the 17 Yakima Valley Regional libraries taking part in the program. The program ends July 20 and is followed with a swimming party sponsored by the Friends of the Library Inc.

Any child who has completed the first grade is eligible to participate. There is no upper grade limit. When the reader has completed his six books and the parents have signed the booklet saying the books were read, he receives a bright orange button with "I'm for Books" inscribed on it in white. Also in the fall he will receive a reading club certificate at his school.

### MABTON COUNCIL

The Mabton Council discussed the possibility of purchasing a new air conditioning unit for the library. The old one is in need of repair and is not large enough for the size of the building. Friends of the Library, Inc. offered to pay \$100 toward a new unit.
