Secretary, the Chancery,
Catholic Diocese of Philadelphia,
Philadelphia, Pa.,

Dear Secretary :

I am writing some publicity material for the Diamond Jubilee of St. Mary's Mission, White Swan, opened in 1889 as an Indian mission.

The name, "Mother Drexel of Philadelphia" appears in meagre records concerning the original mission. She gave windows, nail and paint for the original mission building.

Is there, without too much trouble, someone who could give me a few, not extensive notes on who "Mother Drexel" was. And is there readily available, a photograph from which a copy or copy negative could be made. If so, please send memo as to cost of the photo and it will be reimbursed.

Sincerely
