Dear Click

Thanks a lot for your letter and the information on your book. Congratulations on getting it finished. I'll let you know how I like it after reading.

Your picture is very good too. You look very mature and thoughtful. A new view for me for I always think of you as a very enthusiastic "kid," but "Time Marches On."

To-morrow I leave for Western Canada. I'll visit Grover Herd on Sea Island, perhaps, make some purchases.

Giveorraine my love and all good wishes to you personally and for the success of your book.
