Mr. Willard Britt, personnel,
Public Utility District of Grant County,
Box 878, Ephrata, Wash., 98823

Dear Willard:

Pursuant to our telephone conversation, I am enclosing a certified copy pertaining to the death of Harry Wyena, until the date of his death, 4/11/67, an employe of the Grant County PUD. Dr. Andrew Braff, Yakima County coroner who investigated told me he noted "wound apparently self inflicted" but cases like these could be open to discussion. He said there was no suicide note and nothing in his investigation conclusive that it was suicide.

Also, pursuant to our conversation, the check covering insurance, made out to the surviving wife, Mrs. Nancy Wyena is to be delivered in Yakima so she can convert it and pay obligations she has incurred in connection with the funeral.

As an alternative, if it would better suit the PUD schedule, I could come to the office in Ephrata during banking hours and this could be attended to at Ephrata. I will have receipts which I have "vouched" for. If I come to Ephrata I would need a day's notice, perhaps two, since we are working rather short handed at this time due to illness. Additionally, I have an appointment in Tacoma to keep Friday, May 5. Whatever you decide upon I believe one person from the PUD, Mrs. Wyena, of course and some of her relatives and myself should be present, and the check produced at the bank. I say this because little sums incurred in Wanapum expenses I normally absorb and they are somewhat accustomed to this. Sometimes they do not realize what a larger sum entails, especially under emotional strain. They are out now, purchasing, and until completed, they or I do not know the total.

Thank you and my PUD friends for their help, and let me know in any other way I can assist.

Sincerely

Consumer Credit Dept.

Dear Sir:

Enclosed, your billing under postal date of May, 1, 1967, for notice of payment of \$15 and charges of \$15.75 including overdue sum of .75 cents, for payment in account of the late Harry Wyena, Box 235, Beverly, Washington.

I am enclosing a certified copy of the death certificate of the late Harry Wyena, properly documented, showing his death documented by the coroner of Yakima County on April * 12 (11), 1967.

In order that his widow may be satisfied that this claim is properly taken care of, will you please advise me of the amount yet due on the refrigerator, which, as I understand from a message relayed by a Yakima banker, is cared for by a consumer insurance policy. She wishes to know the amount unpaid that this policy care for.

If there is any reason that this policy does not care for it, please advise me so I may impart this information to Mrs. Wyena, and, as necessary, inspect the records on this consumer account.

I am sorry, Mrs. Wyena wishes to tell you, that this matter is delinquent. She has given your notice immediate attention.

Most sincerely,
