March 29th

Dear Mr. Belander.

The Judge & I are very sorry
to be so long in getting your
book off to you. We no more
than got home from Elgin
Sagoun in Sacred Heart
Hospital in Spokane than I
sprained my ankle & just got
home from our local Hospital,

last night. I can get around
on crutches & have help so Elgin
is getting good care. His doctor
thinks everything is going along
as well as could be expected. He
is wearing dark glasses, can do
no reading & will have to wait
until early in May to get perma-
nent glasses. Thank you
for being so patient.

Most Sincerely

Ethel W. Wykendall
