Dear Mr. Relander:

This is in answer to your letter July 22, 1962.

You will find enclosed the 1962 sport fishing regulations. See page 4 for license fees. A license is required to fish any waters of the state.

Unless you wish, specifically to fish the Templeton Meadows area, you might enjoy the Sixty Lakes Basin out of Independence. Packers from Independence can put you on golden trout lakes over Keersarge Pass. There is also good rainbow and eastern brook trout fishing in that area.

Sincerely,

George Seymour
