Senator Wayne Morse, Ore.
U.S. Senate Building,
Washington, D.C.

Dear Senator Morse:

Under separate cover I am sending you a copy of
1855-1955 (Treaty Centennial) The Yakimas.

This is a 64 pp. publication authorized by the Yakima Nation in
connection with the Treaty Centennial June 9. And while I can in no
way speak for the Yakimas, I know that they would wish you to have
a copy of the publication.

I am sure too that should you have need for an additional working
copy or so, these could be procured by addressing Alex Saluskin,
chairman Yakima Tribal Council, Yakima Agency, Toppenish, Washington.
He is also chairman of the Treaty Centennial.

Sincerely
