Dear Click,

I hope I have not kept these too long. I have taken copious notes from them. Much of this was immediately useful to me, and came at a most opportune moment. The remainder I shall use before I leave here, so you see your generosity is greatly appreciated. I am also mighty proud to be entrusted with so valuable a collection upon brief acquaintance.

If there is anything at all that I can do for you in the future I would be very pleased to have the opportunity.

I expect to stop in Yakima at least once during the summer, and look forward to seeing you at that time, with your permission.

Dick Driscoll

P.S. - Would appreciate any criticism of the enclosed - I know nothing whatsoever about journalism, as will be evident to you when you read it.

Dear Click:

Here I am in California, a very long way from the P.M.B. Too far, indeed! I shall probably be here until late spring or early summer. I hope to be through Yakima during the summer, and would certainly like to see you then, if you're not too busy.

I want to thank you again for the help you so generously gave me while I was working on my horse racing thesis under Dr. Deutech at WSC.

Have a fine Christmas, and my best wishes for the New Year. Dick Driscoll
