PIANOS

An Opportunity to Buy a Steinway, Weber, or Other Well-Known Piano for a Small Price.

Following our annual custom, we make a special effort to dispose of the high grade, almost new Pianos that have accumulated in our warerooms from one source and another.

Several of these instruments are of the very late models; others are discontinued styles or odd styles; but all are of elegant appearance and distinctly artistic tone and action.

These Pianos have been placed to one side and marked at reduced figures to insure immediate sale. We wish to avoid carrying even one of them over in next season's stock.

Piano seekers would do well to examine these pianos before purchasing an instrument at ordinary valuations. We enumerate a few only:

Steinway small upright, ebonized case, good as new Steinway baby grand, shows hardly any trace of wear. Steinway medium-sized upright, mahogany case, rented short time. Steinway, same as above in ebony case, in excellent condition. Steinway small upright in fine playing order. Weber upright, medium size, walnut. Weber cabinet grand, walnut case. Weber baby grand, mahogany case, latest pattern; a remarkable opportunity. Knabe cabinet grand, mahogany case, used for concert purposes only. Knabe cabinet grand upright, very slightly shopworn. Knabe parlor grand, very dainty. And many others.

A special lot of new and attractive uprights, all woods, greatest value in Chicago, at \$145.

Also a room full of new and second-hand uprights, your choice at \$195, either cash or long time payments. Many of these pianos have been held at \$300. Several leading makes are included. A number of very fine pianos from a musical standpoint will be found in the collection. The extreme dullness of the present summer makes it peremptory upon us to reduce this stock at once.

Visitors are always cordially welcome in our salesrooms. From 8 a. m. until 6 p. m. groups of piano customers will always be found upon our piano floors, but we have such ample facilities and such a large corps of salesmen that we can sell twenty different instruments simultaneously without the least delay.

Easy Payments Pianos may be secured by small first payment. On low-priced pianos we are prepared to accept a cash payment of \$10.00 and monthly payments thereafter of \$5.00. No advance in price when easy terms are desired. Pianos of all descriptions included in this offer.

THE WISE WOMAN

Who buys where each dollar will do the most work, is doubly wise when she comes to Rothschild's—wise because she has come to Chicago's headquarters for fine goods and low prices, and wise because here she can get "S. & H." Green Trading Stamps free with every purchase.

The "S. & H." Green Trading Stamps have helped to furnish more homes than all other trading stamps put together. That is because more representative merchants give them, and their premium value is greater. You can get practically anything you want with them—a gold watch, a camera, a chafing-dish, a Morris chair, anything—and at the same time you will pay less for your merchandise at Rothschild's than if you bought it elsewhere.

ROTHSCHILD & COMPANY
State and Van Buren Streets

IT is well to remember that the best trading stamps are green. The green stamps are those of The Sperry & Hutchinson Co., the originators of trading stamps—a corporation with \$1,000,000 of paid-up cash capital.

Green stamps are as good as the coupons on gold bonds. They are backed by a sound, conservative business house, whose reputation is a positive guarantee of the worth of its stamps.

The green stamps are given free with your purchase at Rothschild's. The premiums given in exchange for them will average 40% greater value than those given by the cheap, unreliable imitators of the "Sperry & Hutchinson" green stamps.

Make it a point to see the magnificent premium exhibit on the 4th floor.

Social business and domestic life revealed as though seen with the naked eye. He will tell you your name, whom and when you will marry. Mr. Kendall makes no mistakes in his predictions. Personal magnetism, the secret of all success, quickly developed. Mr. Kendall's reliability has been established in this city more than eleven years. He will tell you just what you want to know; just what is best for you to do and how to do it at the right time and in the right way; he will tell you how to do things better than you have ever done them before; how to eliminate errors, to develop resources, to recognize no impediments, to master circumstances, and how to obtain absolute success in any undertaking, or make no charges for his time. His reputation has been established only after years of hard study and actual experience. His long residence in Chicago, his extensive practice among the best business and social people in the city, place him in a class by himself towering head and shoulder over every rival.

He gives truthful revelations of all love affairs, tells you how to win the man or woman you love. No matter what your troubles are he will help you.

Special Low Fee If you present this card, Mr. Kendall will give his regular clairvoyant reading for \$1.00. If you are interested don't miss this chance. Office hours 10 A. M. to 8 P. M.

MERRY QUIPS.

"Occasionally," said the man with the iron gray beard in answer to the wise and knowing person whom he had met on the street, "I take my dog with me on trips, which, by the way reminds me of an incident that occurred last week. I had taken the canine for an airing down town and as dusk began to settle thought it time to meander home. After getting on the car I placed the dog in my lap and of course was accosted by the conductor demanding fare. Much to my surprise and embarrassment I found that I only had four cents. Conductor, said I, I have only four cents, but I will take your number and give you my gold watch and chain, and to-morrow will return the other cent and get back the watch and chain. 'That is all right,' said he, 'you have four cents and the little dog has one scent which makes five cents, so consequently I got home O. K.' " "Very plausible," said the listener.

"Yes, many strange things happen, and to still further show you that I believe that some dogs have more intelligence than some men; when I got off the car I slipped and fell. My watch fell out of my pocket, struck the sidewalk and smashed. Of course the water ran all out of it. The little dog saw the watch fall, jumped out of my arms and took a drink out of the spring. Then he swallowed the whole watch. Ever since that time he has been a very swell watch dog. It seems strange that after he got hold of the watch he bit off the chain, not caring to swallow the links. I suppose he thought that he might be made into links soon enough." "No doubt that was in his mind," again said the listener.

Did you ever pause to realize that the main link between the public and Berry's candies is their purity, and on account of their tremendous sale they can be sold 2 lbs for \$1.00.
