Los Angeles

Dear Sir:

Thank you for your letter of Nov. 18.

Enclosed is check, covering postage for the two Lakesides:  
Alexander Moss, Adventures on the Oregon at \$6 and The Fur Hunters of the  
Far West, also at \$6.

If an early edition of Alexander Moss shows up in the \$30 some odd  
class, not too long from now, I would be in the market for it, as well  
at the Vol. 14, BE, Mooney, Ghost Dance Religion, or Kip's Army Life on the  
Pacific.

Your Baja series sounds interesting, but I'm pretty far removed,  
except for my "fond recollections" from Southern California. I'm researching  
in Upper Columbia River material now, a pretty limited field.

Thank you for your reply,

Most Sincerely
