PIONEERS IN SPACE

— POSITION VACANCIES —

An urgent need exists for qualified Civilian Personnel to fill positions required in the staffing of the United States Army Ordnance Missile Command. The duty station is Redstone Arsenal, Alabama (near Huntsville, Alabama). Please submit your Application for Federal Employment, Standard Form 57, to the U. S. Army Ordnance Missile Command, Western Area Office, 1515 Clay Street, Oakland 12, California (Telephone TWinoaks 3-6330, Ext. 268 or 269, Mr. Rowden or Miss Yaschur).

Upon receipt of your application additional information will be forwarded to you.

This is a partial list of vacancies. An additional list will be published in the near future.

UNITED STATES ARMY ORDNANCE MISSILE COMMAND

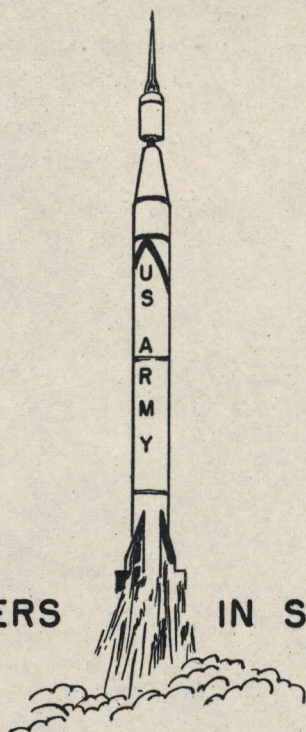

REDSTONE ARSENAL, ALABAMA

COMPTROLLER'S OFFICE

<u>NUMBER OF VACANCIES</u>	<u>POSITION AND GRADE</u>	<u>SALARY</u>
1	Supervisory Accountant, GS-510-15	\$12,770 - \$13,970
1	Supervisory Cost Accountant, GS-510-14	\$11,355 - \$12,555
1	Supervisory Accountant, GS-510-14	\$11,355 - \$12,555
1	Supervisory Auditor, GS-510-14	\$11,355 - \$12,555
1	Business Analyst, GS-1140-13	\$ 9,890 - \$11,090

1	*Physicist, GS-1310-14	\$11,595 - \$12,555
1	*Physicist, GS-1310-15	\$12,770 - \$13,970
1	Geophysicist, GS-1313-14	\$11,595 - \$12,555

*Note: The applicant will be required to make scientific reviews, evaluations and analyses of proposals for new space vehicles, satellite programs, etc. Applicant should have a purely theoretical background. There is no interest in considering applicants who have been engaged in the field of applied engineering. Applicants must also have at least a Master's Degree in Physics.

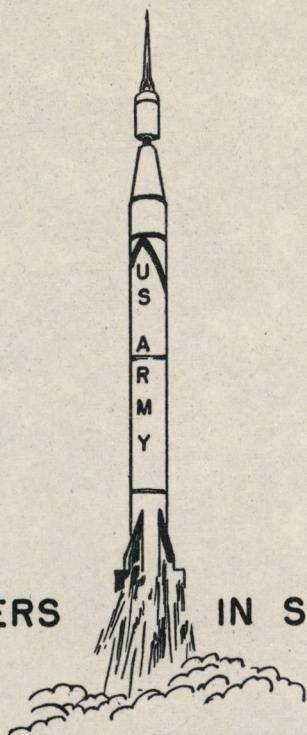

1	*Geophysicist, GS-13	\$10,130 - \$11,090
1	*Geophysicist, GS-14	\$11,595 - \$12,555

*Information on the Geophysicist: He is needed for investigations of physical phenomena in connection with missile flight performance. Background in geophysics, aereophysics, mathematics and/or meteorology. This position is located in the Aereoballistics Laboratory.

1	Supervisory Aeronautical Structural Research Materials Engineer, GS-806-14	\$11,595 - \$12,555
2	Industrial Engineer, GS-11	\$ 7,510 - \$ 8,230

Information: Program coordination to assist the Program Coordinator in the Aereoballistics Laboratory.

1	Psychologist (Human Engineering), GS-180-12	\$ 8,810 - \$ 9,530
