

KENNETH W. BROOKS ARCHITECT SPOKANE
707 WEST FIFTH AVENUE SPOKANE 4, WASH.

June 6, 1967

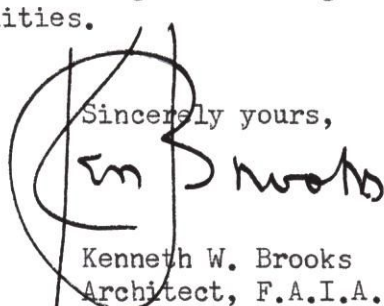

Mr. Click Relander
3701 Commonwealth
Yakima, Washington 98901

Dear Mr. Relander:

Thank you ever so much for your May 23rd letter indicating your interest in obtaining a sculptural commission in connection with the Grand Coulee Dam Third Powerhouse work.

I am exceptionally pleased to receive this information and will keep it in my active file. At such time that we are actively pursuing the consultation work, the sculptural opportunities will be given thorough consideration, as will your interest and capabilities.

Sincerely yours,

Kenneth W. Brooks
Architect, F.A.I.A.
