Dear Click:

I appreciated very much receiving the copy of your book,
"Drummers and Dreamers".

With all the Oregon and Washington members in town during the past few days, I have had no chance to start on it. I can assure you that I will do so the first opportunity. I hope you have all the luck in the world with the book which I know is one that needed writing in order to preserve the historical facts which only you could obtain.

Best personal regards.

Sincerely yours,

Chief of Bureau
