Mr. Click Relander
3701 Commonwealth Drive
Yakima, Washington 98901

Dear Mr. Relander:

I am enclosing a set of cards of the type which can be ordered from the Library of Congress for cataloging purposes. The number in the lower right hand corner is the one to order by. Most recent books have this number on the other side of the title page. The address is:

Card Division
Library of Congress
Building 159
Navy Yard Annex
Washington, D. C. 20541

The catalog cards we make for ourselves follow the same format, although we don't usually go into such detail. The main thing is to have the author, title, place of publication, publisher and date of publication in description along with whatever else you deem necessary. Additional cards can be made for cross references of the type shown on the bottom of these cards.

I hope this is the kind of information you are after. If not, let me know and I'll have another run at it.

Sincerely,

Frank L. Green
Librarian
