

WASHINGTON STATE CENSUS BOARD

102 Guthrie Hall  
University of Washington  
Seattle, Washington 98105

September 12, 1966

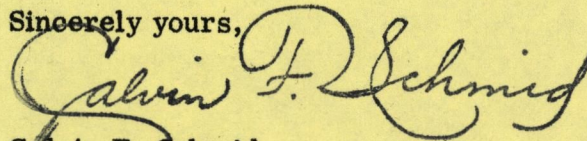

Dear Friend:

Enclosed herewith is the current issue in our series of annual reports on municipal population entitled Population Trends, Cities and Towns, State of Washington: 1900 to 1966.

You will observe that Chapter 1 includes a summary of population data, as well as a discussion of recent population changes, for the 267 incorporated cities and towns of the state of Washington, derived as of April 1, 1966.

Chapter 2 presents an analysis of the more significant long-time trends in population since 1900 for Washington's incorporated cities and towns.

Sincerely yours,

Calvin F. Schmid  
Executive Secretary
