Dear Mr. Relander:

please be informed the undersigned attorney is a member of the Knights of Columbus in this area, and a few years ago I met Mr. Ohad. We were discussing the early oblate missionaries in Eastern Washington and he informed me that you might have some information in this regard. I have been collecting information over the past 4 years concerning the oblate missionaries and especially Father Chirouse. I do not have any definite plans in mind for this information, but hope that some useful purpose might become of it in the future.

Whatever help in the way of information, articles, bibliography, etc. that you might have in this regard would be most sincerely appreciated.

yours very truly,

LEO J. GESE

Dear Mr. Relander:

I wish to thank you for your note of recent date concerning the information regarding Father Chirouse. In view of the fact that pandosy was so close to Chirouse, I am quite confident that all information that you have in regard to pandosy should shed light on Father Chirouse. Maybe someday you will be able to let me have copies of the information that you have.

It is my hope to continue to gather all the information concerning him and anyone associated with him in the hope that someday a biography can be written suitable to him and to his associates as well.

Best of luck in your health.

yours very truly,

LEO J. GESE
