

H. J. Mich. July 23/11

My dear boys!

although we did not receive a letter from you this week, as customary, I'll write a few lines, even when there is nothing of importance to write about.

Eff. & I were are picking Clapp pears this morning for shipment & that keeps him pretty busy, they picked & packed 9 Bbls. this a.m. / rain in the afternoon.

With the exception of a backache, which has been bothering me for some days I feel pretty well & so does Eff.

a few death notices I have to report from around here, last week the old G. E. Smith, father of Chas. & Ed. Smith died with the hoe in his hands aged 87. - Also John Yank from H. Ville was laid to rest at the age of 69. - another one, don't know if you know the party a Mrs. Albert Gaul she was a sister to Will & Ed. Abraham.

Had an other party looking at the place

yesterday, can't. Tell, may come back again
to buy, it looks very favorably, because
they were brought up here by 2 parties
who bought a building lot from Mr.
Batchelder a year ago & before they bought
they ~~was~~ were here to look at this, but they
merely wanted an acre each for a
summer home..

I think that it would be a pleasant
surprise for Will if you could sell the
property in Twin Falls for him, it ought to
be worth quite a little by this time, there
must be a lot of Chicago people are there
as I see that it widely advertised in the
Chicago papers.. -

Our folks in Chicago are all well too
according to last reports.. -

Now keep well & take care of yourself. -

Lovingly

Rob If you have money enough to
buy more stock in the company your interest in
why can't you end Arnold, send the balance of
the amount you owe me?
It has been standing for several years and you
promised to pay within a short time. Excuse

After 5 days, return to
