Dear Mr. Relender:

At long last I am getting around to answering your letter dated February 15. I was tremendously impressed with "Strengers on the Land". It was a particularly appropriate title and I felt a well written book. We plan to run a review of the book in the next issue of the Journal of American Indian Education.

I have had the opportunity to hear many good things about you from Mr. Minton in Santa Fe.

I wish you God's speed in your continued and dedicated efforts to help the Yakima Tribe. If the Indian Education Center can ever be of assistance please let us know.

Sincerely,

Robert A. Roessel, Jr.
