Dear Sir:

Many thanks for your letter of July 16 and I want to thank you for sending me the copy of the Treaty Centennial of the Yakimas which I am very pleased to have for our collection.

Insofar as Drummers and Dreamers, we have an arrangement with the Claxton Press and would be getting the publication directly from them when it becomes available.

It was very nice meeting you at the Spokane conference and I hope we will see you at next year's as well.

Yours sincerely,

William E. Ireland [W.E. Ireland]

Dear Click:

Your letter of June 27th has come to hand and, first of all, let me thank you for your kindness in sending to me the History of the Yakima, which I am very pleased to have to add to our collection.

Now, with regard to the matter of the Negroes in British Columbia, under separate cover I am sending to you a Bibliography of Ethnic Groups in British Columbia, on pages 46-47 of which you will find some entries relative to the Negro population. I believe those that are in print would probably be available to you through a library closer to hand than our own, but failing that we would certainly try to co-operate with you. As far as the thesis is concerned, which is the best study to date, I believe in all probability it could be borrowed from the University Library, although we do have a copy here.

Trusting that we can help you and again many thanks for your co-operation, I remain

Yours sincerely,

W. A. C. Ireland
