Dear Mr. Relander,-

Thank you for your list of Civil War books for sale.

I would not be interested in all of them; but, I could use the five regimental histories, Fuller's Ohio, Neal-Missouri, 46th. Illinois, Beach-First N.Y., and Partridge-96th. Illinois.

From your asking price for the whole lot, I judge that \$30. for these 5 books would sound okay to you. I'll enclose check for that amount. If not satisfactory, return it and tell me what you do want; and, I'll consider it.

Very truly yours,

D. A. Bulen
