Dear Sirs: I read the item
in the Bellingham Herald
relative to the need for
Eagle Feathers by the
Wanapum Indians.

A large pair of Eagle
Wings came into my
possession some
time ago + I shall be
happy to send them
to this tribe if you will
send me their address.

Sincerely, Mrs G. E. Turner

Dear Sir: Never did hear whether or not the Wanapums liked the Eagle Wings I mailed them at least a year ago.

The articles you mailed me about the tribe were very interesting. Wonder if any of them would send me (2) two rather small round pieces of tumbleweed. I didn't mean to write pieces. I would like completely round ones about 12 inches in diameter.

I have read in the news that
the Wanapum burial ground
was saved.

Are there any new developments
in the tribe?

Sincerely,

Maud M. Turner.

P.S.

This is not a "rush" request
just whenever the "pieces" fall
together as it is convenient.
