Dear Sir:

Enclosed is my check for Commissioner of Indian Affairs  
for 1881, listed on Page 4 of Antique Trader for April 15.

Am also enclosing stamped envelop for check return if item is sold.

The book is listed at \$7.50 . I am ~~enclosing~~ including an extra \$1  
for shipping.

I have some excellent books on New York if you are a dealer or have  
an outlet among N.Y. collectors. I would trade for good books on the  
American Indian , books on the horse or catalogues of horse drawn vehicles.

The best of the New York lot in my library is Peck's Semi-Centennial  
History of the City of Rochester, 1884; Smith's History of New York, Albany,  
1814, deckle board, worn leather spine; Smith, Charles E, Pioneer Times  
in the Onondaga Country, Syracuse, 1904 and Child, Hamilton, Gazetter and  
Business Directory of Chautauqua County, N.Y. Half a dozen others , not  
quite as good

Sincerely Yours

Dear Sir:

Enclosed is check and postage allowance for 1888 Report of  
Commissioner of Indian Affairs, quoted at \$12.

Also, enclosed postage for check return if sold.

While item is about \$2 high from normal quotes at Seattle and in  
Calif. it will help fill out an extensive set.

Please feel free to quote me on old horse, harness makers, blacksmith  
books,

Sincerely
