ARCHBISHOP C. C. ADDISON

Speaks

A REQUEST: (PLEASE DO NOT READ WITH THE EYE OR MIND OF PREJUDICE, BUT WITH A RIGHTEOUS DESIRE TO FIND THE TRUTH ST. JOHN 8:32-36), and to help in the friendly and peaceful solution of a grave world problem, for the betterment of humanity. It is not my desire to offend the finer feelings and sensibilities of any people, may they be white or black, but herein I shall make an earnest appeal to conscience and not to belief. Conscience is solid, convicting and permanently demonstrative; belief is only a matter of opinion, changeable by superior reasoning. Once it was believed to be fitting and proper for white teachers to teach Negroes. Children in the South, as well as in the North, and Negroes who were privileged to attend school had white teachers all over the South as in the North. What a day it was all over the South when Negroes were permitted to teach as a result of years of experience and superior reasoning, white teachers were found incapable for the task of properly training black children and their positions were filled with black men and women, to the Negro this was progress and truly it was. Today everything humanly possible is being done to return white teachers to Negro classrooms in the South, Negroes are leaving their own schools with black teachers and running to white classrooms in the South, this is ridiculous. Is it possible that the American Negro has lost all his humanly like manner and has turned to the life of a beast? (Psa. 49:12-20; 2 Peter 2:12 through 17 verses.) There is no human being desire people outside of the vernacular in which they were born to teach their children. (Ezekiel 33:1 through 7 verses.) This proves that Negroes are incapable of thinking for their own interest and proves also his very reasoning to be inferior. This is a disgrace on the entire race. One can really see that opinion without authoritative proof is changeable, no matter how destructive the change may be. Therefore man should have authoritative proof for every move he makes in life especially when the races are involved. The only authoritative proof that man has on this earth, that he is right or wrong in his endeavors is the Holy Bible (King James Version). All other grounds are sinking sand. The Holy Bible is the only source of all Christian Truth (I did not say so-called

Christian truth); I am trying to make it clear to the reader. Christianity has never had one day in America, why not make it the order of today? No one can condemn Christianity because it has never been tried in America. Why not give it a trial? (St. Matt. 16:18-19; Eph. 5:26-27; Acts 2:44 through 47 verses; Acts 4:32 through 37 verses). The Holy Bible is the only rule for the Christian Life; the only book that unfolds to us the realities of eternity. The Bible is the light of my understanding, the joy of my heart, the fullness of my hope, the clarifier of my affections, the mirror of my thoughts, the consolator of my sorrows, the guide of my soul through this gloomy and dark world, the telescope sent from heaven to reveal to the eye of man the amazing glories of the far distant world. The Bible is a window in this prison of hope, through which we look into for guidance. Bad men and devils would not have written the Bible, for it condemns them and their works, good men and angels could not have written it, for in saying it was from God when it was but their own invention, they would have been guilty of falsehood and thus could not have been good. The only remaining Being that could have written it, is God its real author.

ARCHBISHOP C. C. ADDISON

Speaks

Men cannot be educated without the Holy Bible. It ought therefore, to hold the chief place in every seat of learning throughout the Christian world, and I do not know of a higher service that could be rendered to this Nation than the bringing about this desirable results.

Yes God loves man so well until He gave him a guide to direct his footsteps through every venture in life's journey, but man has rejected the guidance of God from Adam to this very day. For six thousand years man has tried to change God's plan. God's Divine plan is in the Word The (HOLY BIBLE). The only way to freedom. Please read (Isa. 29:11 through 14 verses; Isa. 30:8 through 12 verses; St. John 5:39; 2 Timothy 3:16-17; St. John 8:32-36). I speak as a watchman on the wall, with authority from God to bring this message. You that have ears hear, you that have eyes see. The Holy Bible says take a man of your coasts, (of the vernacular which you were born, one of your own race) and set him for a watchman: to lead you and not one of another race as a leader (Ezekiel 33:1-2-3-4-5-6-7). It is shocking to see that Negroes are foolish enough to believe that a member of another race will lead them to their desired goal of freedom. Let facts be admitted to a candid world. The Holy Bible records that "GOD IS THE AUTHOR OF SEGREGA-

TION", "THE DEVIL IS THE AUTHOR OF INTEGRATION." "Let us dig down into the rich earth of truth and bring out authoritative proof." The first world on this planet as recorded in the Holy Bible is from Adam to Noah. (Genesis 1:26; Gen. 7:1 Adam lived nine hundred and thirty (930) years and he died, seven hundred and twenty-six years after the death of Adam it rained forty (40) days and forty (40) nights, the flood was in 1656 B.C.

ARCHBISHOP C. C. ADDISON

Speaks

There was a one world program for 1656 years, there was one tongue, one dialect, one language, one people. Yes! we were all one for sixteen hundred and fifty-six years. If the good Lord had wanted us to remain one people all he had to do was just leave us alone and we always would have been one people, one race, no earthly power could have changed this plan, nor all the powers combine between heaven and earth could not have changed this plan. God and Him alone could have brought the change of three (3) distinct languages, God brought about the separation (Segregation) Genesis 11:1 through 10 verses; Gen. 10:1 through 32 verses plainly identifies three distinct races, three distinct dialects, three distinct tongues, three distinct languages, these came out from the three sons of Noah. Please read for your information (Deuteronomy 32:7-8). When any people including the United Nations attempt to mix the races or to integrate them, they are saying that God either made a mistake or he did not know what he was doing when he separated the sons of Adam (segregated) them Deut. 32:8. Please read for your information (Psa. 2:1 through 12 verses). Please read Psa. 37:12 through 16 verses. Please read about the activities of this one world, one people, one race. (Genesis 6:1 through 22 verses). History records the world of integration as 1656 years of heathenism, uncivilized, unenlightened, they were all one, not one able to teach the other, they were all equal, not one above the other, they were all heathens. The integration highway is a six lane express all going one way that leads to heathenism, there are no red lights to disturb. (St. Matt. 7:13-14) The road that lead to freedom (Isa. 35:8-9-10; St. Matt. 7:13 through 27 verses). Times and conditions speak for itself. Please turn your attention to the action of the American people since the integration highway was opened, have the demonstrations of intelligence or heathenism been the order of the day? Negroes in Montgomery, Ala. walking three hundred and eighty (380) days just for a seat beside of white people. Is it intelligence or is it heathenism to push oneself where you are not wanted? All that

demonstrate such action are demonstrating animalism. The Negro had all to lose and nothing to gain except the satisfaction of paying for a seat beside whites on a white man's bus driven by a white man. When it is all summed up in the proper sense it's only to give up all the sacrifices we have made for these many years just to gratify their curiosity. To seek to study in the classroom with whites and to have white teachers or instructors, to be permitted to ride and live and ever be near them, does it not prove that they do possess the superior qualities that they claim to possess and that the Negro is inferior and not capable of being equal? Jer. 4:22 My people are wise to do evil, but to do good they have no knowledge). I am sure we all agree that God is everywhere and is always listening to hear his children pray. If praying was to be of any avail to what the Negro seeks it certainly would have been sensible to have stayed home and prayed and use the money spent to go to Washington, D. C. for some good advantage of the race. White Railroad Companies, Bus Companies, Airplanes Companies, Gasoline Dealers were all made richer while the Negro traveled to Washington, D. C. Just to pray. Yes! they travel from various sections of the country to pray for integration. Were they kneeling before God in prayer? The answer is no, this prayer meeting was held before the monument of Mr. Lincoln whose beliefs were and I quote his exact words "I will say, then I am not, nor ever have been, in favor of bringing about in any way the social and political equality of white and black races, that I am not, nor have ever been, in favor of making voters or jurors of Negroes, nor of qualifying them to hold office, nor to intermarry with white people; and I will say in addition to this that there is a physical difference between the white and black races which I believe will forever forbid the two races living together on terms of social and political equality.

ARCHBISHOP C. C. ADDISON

Speaks

And is as much as they cannot so live, while they do remain together there must be the position of superior and inferior, and I, as much as any other man, am, in favor of having the superior position assigned to the white race" End Quote. Speech at Charleston, Ill., Sept. 10, 1858. Integration on this planet begun in the Garden when evil integrated with good, which God forbid. Please read for your information Genesis 3:1 through 24 verses, the Devil is telling the same lie today that he told Eve in the Garden, That day his lie was to integrate would make one wise, to day his life is to integrate will give our children a better education, the same lie with a different label. Yes! the cry all over the country we want our children to

have a better education, that's why integration has become the order of the day because through segregated schools our children were better educated then the children that went through integrated schools. Any one that have travel North and South and are able to recognize the progress of the business success of the Southern Negro then look at the business success of the Northern Negro, the Negro business in America worthy of note is in the South. The majority of the Negro banks in the United States are in the South. Looking for exclusive Negro business in the North is almost like looking for a needle in a hay stack.

The devil knew that Eve was on the road to success knowing nothing but good, so he had to integrate good with evil in order to put his program over, so it is today the devil know that the Negro through segregated schools is on the road to success, so his only hope is to integrate all Negro schools in the South and give him so-called integration in the North. The devil told Eve to integrate evil with good will make one wise, but what did it actually bring? Woe and even death, my people if this is what you want you shall have it through integration (Genesis 3:7 through 24 Verses).

ARCHBISHOP C. C. ADDISON

Speaks

How long will the intellectual parasites control the destiny of my people which include the Negro clergy —so-called God's divine they are all following the same line of begging for the crumbs that fall from their master's table. The Negro spends around twenty billion dollars per year and are begging for a place in the white man society instead of building his own. The blind is leading the blind. (Isaiah 9:13 through 16 verses; Hosea 4.6); Negro leaders both North and South strain at a gnat and swallow a camel (St. Matt. 23:24). We should first cast the beam out of thine own eye and then shalt thou see clearly to cast the mote out of thine brother's eye. St. Matt. 7:5 you just can't do wrong and get by no matter how hard you may try, your own sins will find you out. My people are growing tired of Uncle Tom leadership, white man's organization with a Negro front. An organization said to be for the advancement of colored people with a white man for president is a white man's organization with a Negro front. So many of our so-called leaders are advocating integration are said to be college graduates, it makes one wonder if they went through the college or did the college go through them? Capacity without education is deplorable and education without capacity is destructive. This possibly is what is wrong with the

educated Negro, he went through college without the capacity to learn. Read what the Bible says of such people (Colossians 2:8; 1 Cor. 1:19 thru 21 verses). The real purpose of education is a process of training and developing the knowledge, skill, mind, character, etc., Webster's World Dictionary of the American language. It should be to give our children resources that will endure as long as life endures.

ARCHBISHOP C. C. ADDISON Speaks

HABITS that time will not destroy; occupation that will render valuable service to their own people first and then to others. The secret of education lies in respecting thyself. The education of our children is never out of my mind. Train them to know value of economics (Prov. 22:6-15; Prov. 23:13-14) will your child get this type of education in the integrated Schools? The answer is no. If not they are not being educated. Our children must be trained in the field of economics St. Matt. 25:27 through 30 verses; St. Luke 19:23 thru 27 verses; Job 22:23 thru 30 verses). The so-called Christian Church of today seeks to promote integration but may I say to you one and all to whom it may concern, the Christian Church will never promote intergration, because Jesus Christ is continuing his Father's plan of Segregation, St. John 1:11. I go South every year to preach to my own people, race, color or what have you, others may come and hear if they wish, that's their business but I go to my own race, black people all that understand what we are, to preach to them because I am a Segregationist. This is just what Christ did when he came to this world. He came to his own, so says the Holy Bible, St. John 1:11. Yes! He came to his own and his own received him not, it was not until he was rejected by his own did he turn to other people. Yes! God is the author of segregation and the devil is the author of integration, integration has proved destructive to all who allowed themselves to tolerate such folly Deuteronomy 32:7-8; 1 Kings 11:1 through 11 verses; Acts 17:26-27; Nehemiah 13:23 through 27 verses; Joshua 23:12-13. Integration has spelled the destruction of many nations has brought down many strong kingdoms and this government.

ARCHBISHOP C. C. ADDISON Speaks

SHALL BE NO EXCEPTION TO THE RULE: To be equal with all men, we must sponsor a three fold program; 1. Our Spiritual development must meet

God's specification; 2. our standard of living must be brought up to the level with those that we desire to be equal with; 3. our economic structure must be so geared that we become the controlling factor of our own destiny. Then and only then will we be equal with other men. Civil rights are not legislated, civil rights must come from within and not from without. When we meet God's specification the law of compensation is there ready and willing to pay off. Beggars have no choice: Freedom is precious and all people paid dear for it. They first had to lift their moral standard, they had to go to work and hammer out their own constructive civilization, they had to indulge in every branch of human activity and raise a standard so high as to be comparatively worthy. The Negro is no exception to the rule, he must pay the same price, there is only one price for all nations, peoples kindred and tongues. We are not interested in a seat on another man's bus, but we are interested in owning the buses and all other means of transportation, we are not interested in class room with other people, but rather in our own class rooms in our own schools, our own class rooms from the Kindergarten to the Universities, when our culture can be taught to our children and where they can be prepared for leadership in governments of our own in our own land. Then and only then will the American Negro be respected around the world, also qualified to hold any position in any man's society on God's earth.

ARCHBISHOP C. C. ADDISON Speaks

You who seek to get away from Segregation tells God you desire no part of Christianity for Christianity is Segregation. Come out from among them and be ye separated (Segregated) 11 Cor. 6:17. My dear people will you come out of the integration business and repent and turn yourselves from all your transgressions through integration that iniquity shall not be your ruin. Cast away from you every thought of integration; whereby ye have transgressed; and make you a new heart and a new spirit; for why will ye die an economic death through integration. Integration will move you on starvation street in the city of poverty. For three hundred years you have cried out against the crime of injustice and you are no nearer being heard today on your part, than when you first raised your voice. The most terrible injustice, is the injustice to one's self. In the general order of things the weak suffer most from crime of injustice among themselves. The strong man will be unjust to the weak; because the weak is unjust to themselves, that's why they are weak. Strong nations in like manner oppress the less fortunate. The whole situa-

tion seems therefore to hang on the developed strength of the individual, race or nation. It is the realization of this which cause the

To preach the propaganda of "Coming Together." If we must have justice we must be strong; if we must be strong we must come together. This can only be achieved through the organization that is led by Black, for Black and of Black. No people have ever attained freedom under the leadership of others, but always under the leadership of their own.

ARCHBISHOP C. C. ADDISON

Speaks

When Britons were weak it was because they were scattered; when the French were weak and divided, they suffered in the same manner; but with unity, strength was developed and with strength came national, racial justice. There can be no freedom for the Negro any where on God's earth until we first come together and think, act and build for ourselves, this is the Law of God to every nation. When we can successfully bring together the majority of the black people of the world we will not only have racial, collective and individual justice but national and international justice as well.

Let us not waste time in breathless appeals to the strong while we are weak for a seat beside someone where we are not wanted, or to socialize with him or to study in his class room or to intermingle which results into intermarriage, social corruption which God forbids. Deut. 32:7-8-9; Deut. 7:3-4; Joshua 23:11-12-13; Deut. 23:24. But rather lend our time, energy and efforts to the accumulating of strength among ourselves by which we will voluntarily attract the attention of others. Some of us become at times drunk with power and authority, and in the fullness of our narrow conceit, wreak our vengeance upon others under the guise of justice. "As in Little Rock" is it justice to impose your wishes upon others against their will? Oh, how wanton is man. Irresponsible in his conceit! Vain in the realization of his power! Even vicious to the point of vengeance. But we glory in the fact that he is only man and in the natural course of life will pass away, the wretch, with injustice written upon his soul, like

the dog, to be unwept and unmourned, in the higher spiritual sense; to be another subject of hell, perdition and the dust from which no pleasant memory springs. Why should the Negro die for the lack of knowledge (Hosea 4:6) My people are destroyed for the lack of knowledge.

ARCHBISHOP C. C. ADDISON

Speaks

KNOWLEDGE: because thou has rejected knowledge, I will also reject thee. My dear readers ask yourselves this question, did this white man the American white man get his freedom from British Empire by begging for a seat side of him? Did he get it through socialization? Or did he get it through civil rights from a legislative act by the British? Or did it come through any "FAIR EMPLOYMENT PRACTICES"? All of this is just a sugar-tit in the intellectual-parasite's mouth. If the United States history is true none of these things brought freedom to the American white man. None of these things will bring freedom to the American Negro. Has he not served America and the world? Has he not borne the burden of civilization in this western world for three hundred years? Has he not contributed of his best to America? Surely all this stands to his credit. But there will not be enough room and the one answer is find a place. We have found a place: It is AFRICA and as black men for three centuries have helped white men build America, surely generous and grateful white men will help black men build Africa. And why shouldn't Africa and America travel down the ages as protectors of human rights and guardians of a "THEOCRACY GOVERNMENT" (Isa. 9:6-7). Why shouldn't black men help white men secure and establish universal peace? We can only have peace when we are just to all mankind; and for that peace and for the reign of Universal Love. I now appeal to the souls of white America. Let my people go. Tell them to build a government of their own in Africa. Do not encourage them to believe that they will become social equals and leaders in America, without first on their own account proving to the world that

ARCHBISHOP C. C. ADDISON

Speaks

THEY are capable of evolving a civilization of their own. The white race can better help the Negro by telling him the truth and not by flattering him into believing that he is as good as any white man without first proving the racial, national, constructive metal of which he is made. Help him in the direction of doing for himself, and let him know that self

progress brings its own reward. I appeal to the considerate and thoughtful conscience of white America not to condemn the cry of the

FOR a Nation in Africa for black men every where, but give us a chance to explain ourselves to the world. White America is too big, and when informed and touched, too liberal, to turn down the cry of the awakened black man for a place in the sun.
