Subject: Request for purchase of copy negative:

Dear Sir:

I am writing to inquire if I can purchase copy negatives
of the following:

Item 62, Canceled Indians of the Columbia, p. 18 Washington
Centennial of the Territory, etc. The Library of Congress, "ashington:
1953.

This would be two negatives, Sin-nu-wit-Chin-nook and
Ya-ko-tow-it-Chin-nook.

I have been asked to sculpture a head of Concomley, Chinook
chief (a flathead Indian) for the new State Parks Museum now
being constructed at Longview, Wash.

I have put in considerable research, and need additional
pictures of Chinook Indians to be sure of general facial characteristics,
hair style, etc.

Please advise me of the cost so I may send the money and obtain
the negatives, if possible, as quickly as possible to facilitate the
project I now have underway.

Sincerely
