INTRODUCING

OF

TOPPENISH-GOLDENDALE ROAD

1. Originally opened as stage and U. S. mail road in the late 70's.
2. Was adopted as a part of the state road system four years ago. Is a link in what is known as the "North Bank" road, or State Highway No. 8.
3. Is also a part of National Highway No. 97, which extends from Oroville, Washington, to Klamath Falls, Oregon.
4. Construction authorized by the state legislature of 1925. Contract for grading approximately eight miles extending north from the Yakima-Klickitat boundary line, will be let April 27.
5. Will provide the shortest, most direct route between the Yakima valley and Portland, Oregon.
6. Will be an all-year-round road.
7. Grades will not exceed 5 per cent.
8. The legislature of 1927 will be asked to appropriate sufficient funds to complete the road between Toppenish and Goldendale.

Help boost for this appropriation.
