Regarding: Yakima Claim

Dear Sir:

Enclosed are typescripts of a very small portion of:

Washington Superintendency of Indian Affairs, 1853-74.

Copies and Drafts of Letters Sent 1853-74 June 2, 1857-Jan. 31

~~21274~~ 1874 Microcopy No. 5, Roll 4

The rest of this roll deals with Nez Perces, miners,
agency estimates as to funds required.

There are an estimated 200 frames left on the roll and
since it appears to be material not pertinent to the case and
would require approximately fifteen to twenty hours to transcribe,
I am not making a transcription at this time.

Sincerely

Cliff Relander
