Dear Click,

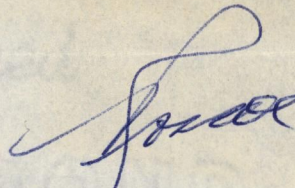

Thanks for the swell job you are doing in publicity for our Fort Sincoc Banquet on February 21. I am assuming that you are responsible those grand articles and the prominence you are giving them in your papers. I do hope that you will continue them.

You probably know of a number of people that should attend. George Martin has the tickets. Perhaps you might want to sell a few. If so he'd supply you I am sure.

When we look over the accomplishments of the two years our society has been in existence, they are really many. Many as they are it is only a start. Now we need to fill Harvest Hall for the banquet not only to interest more prominent people, but to demonstrate to the State Board how great that interest really is.

Thanks again for your splendid job.

Sincerely

Roscoe Sheller
