My Dear Sir:-

I have your letter of the 15th and am pleased to know that the matter of a right-of way across the reservation is being obtained and things are beginning to shape up in a favorable way for us.

It is also pleasing to know there is a prospect of help from the government on road No.97.I hope that number does not mean we will be 97 years in obtaining results.

Yes the scrap in Olympia is quite a cat and dog fight, but I take exceptions to your insinuation, that we are getting old and not inclined to scrap anymore for you know sometimes an old dog is full of fight yet.

However I am glad I am not there to scrap six county division fights this winter for that gave me the greatest run for the money I ever had.

Wishing you a Happy Christmas and prosperous New Year,

I am Very truly yours.

N.B. Brooks.
