

MEMORANDUM TO THE BOARD OF CURATORS

May 18, 1965

We are happy to report that the Legislature passed and that Governor Evans signed Senate Bill 41, a Bond Bill which included \$339,000 for our wing. The Bond Bill, amounting to \$41,000,000 for construction of new buildings at state colleges and institutions will be submitted for vote at the general election November 1966.

Congratulations are due Lee Dawley and the Budget Committee (Mr. Shaub, Mr. Murray, Mr. Gordon) for this successful conclusion to a long hard winter! Mr. Dawley spent many months working with the Legislature in helping to bring this about. Warmest thanks to all of you for your support.
