Dear Click:

Your request for a grant from the Union Pacific Foundation for the Yakima Frontier Museum was considered by our board of officers in the Northwest. As much as we would like to help the museum, we had to conclude that the museum did not come within the scope of community functions supported by the foundation.

However, we did recommend that a grant be made to the Washington State Historical Society. We hope it will be accepted. Last February, Mr. Arthur Z. Gray, president of the foundation, wrote us that the Historical Society's application arrived too late for consideration for this year but that it would be kept in mind for 1969.

My best wishes for a pleasant Holiday Season.

Cordially yours,
