Mr. Click Relander

Visalia, California

Dear Mr. Relander:

Your letter of July 1 addressed to me in Washington has been forwarded to Lagunitas.

In regard to Mrs. Ichu: My impression is that she is more than 65 years old, though I have no proof, and of course am not qualified--according to your statement that persons certifying to her age must be citizens of California.

Hoping that you may be able to secure the needed financial aid for Mrs. Ichu's support,

Very truly yours,

C. Hart Merriam

You kindly mention that you could spare small fruits of Mrs. Ichu. I should be glad to have some of them if you can spare them.

We are very pleased that you included us on your mailing list to receive the "Primer of the Yakimas", published 1962.

Dear Mr. Relander:

Reference is made to your letter of July 9, addressed to Mr. John C. Ewers, regarding our publications.

In your previous letter you requested twenty of the Bureau of American Ethnology publications. We were pleased to send you, without charge, eight of the desired bulletins. Seven of those requested were previously furnished and four are out-of-print. Bureau of American Ethnology Bulletin 178 has not yet been published.

Due to the great demand for our publications, it is not our usual policy to send second copies without charge. However, we will gladly send you additional copies of Bulletins 144, 159 and River Basin Survey Paper No. 23 which we know will assist you in your research. We regret that our supply of the other numbers requested is now exhausted.

A copy of Government Printing Office Price List No. 55 on Indians is enclosed for your convenience.

Mr. Ewers will reply to the second page of your letter regarding the Blackfoot Culture.

If we can be of any further assistance, please let us know.

Very truly yours,
