Young Kelso transplant visits Valley's library

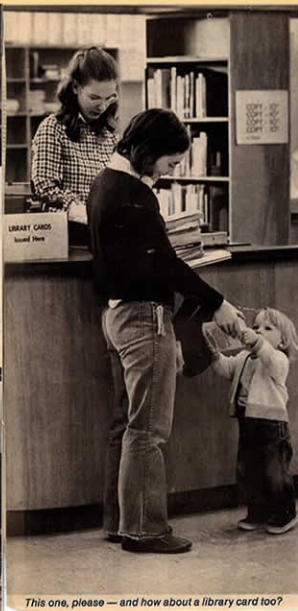

It was Kirby Phelps' first trip to the Yakima Valley Regional Library in Yakima Tuesday.

Kirby is the 20-month-old son of Mr. and Mrs. Robert C. Phelps who recently moved to Yakima from Kelso.

Kirby found a shelf of books that appeared interesting, picked one of the books, looked at it, then had his mother check it out for him. Then he had to go back and wait for mom to find a book for herself.

Kirby Phelps begins a visit to a new world.

This one, please — and how about a library card too?
