PERSONAL

Dear Mr. Relander:

This is to acknowledge, on behalf of the President, the copy of "Strangers On The Land" that you recently sent to him. He appreciated having your story brought to his attention and asked me to thank you.

With the President's best wishes,

Sincerely yours,

A handwritten signature in dark ink, appearing to read "Evelyn Lincoln". The signature is fluid and cursive, with the first name "Evelyn" being more prominent than the last name "Lincoln".
