Mr. Murlin Spencer, acting chairman,
Annual Washington State Press Club Awards Contest
1916 1/2 Fourth Avenue,
Seattle, Wash.

Dear Murlin:

Although I have filed entries in the 12th annual Press Club writing contest, I filed only a feature series and one feature in that classification.

I am submitting a third and additional entry in the feature classification for two obvious reasons:

1-I don't mention Indian in the whole story.

2-It concerns a subject on a special holiday that is customarily difficult to find new material on which to write.

And this, like other entries, was "enterprised" on time off.

My sincere best wishes that you weather the ordeal of the annual flood of entries.

Sincerely
