

Yakima, Wash. January 23 - 1930.

Mr. Frd Lockley,
Portland, Oregon.

My dear Mr. Lockley:

Please don't forget that I still want those books, Dr. White's "Ten Years in Oregon" and Topplin's "Chronicles of the Yellowstone." This last, will about wind up original authorities touching Nez Perce war, 1877.

I have extra copies: ~~Hilleman's~~ "Dr . John Mc Laughlin," and Winthrop's "Canoe and Saddle," 1862 edition. For exchange or sale outright.

I want "Early Indian Wars of Oregon", a State's publication, Salem, Oregon, if price is reasonable.

Very truly,

L. M. McWhorter
