Department of the Interior,
Division of Wildlife,
Information Director:

Dear Sir:

In my capacity as a newspaperman I have use for material pertaining to Elk.

Any information along the following general lines would be appreciated:

- 1-Laws pertaining to distribution of breeding stock.
- 2-Census, present day with past estimated.
- 3-Historical origin of.

One or two purchasable items , Government Publications regarding elk.

- 4-Where one or two photos, showing elk in habitat are procurable.

I am addressing a similar inquiry to Wild Life Management, Yellowstone National Park.

Sincerely

Click Rolander

Wild Life Management, director
Yellowstone National Park,
Montana

Dear Sir:

In connection with my newspaper work, I have use for material pertaining to Elk.

Any information in publication form along the general lines listed below would be appreciated:

- 1-Laws regarding distribution of breeding stock.
- 2-Census, present day with past estimates.
- 3-Historical, references to origin of.
- 4-One or two purchasable items regarding Elk, where available and for what price.
- 5-One or two photos, showing elk in habitat, where procurable and for what price.

I have addressed a similar inquiry to Department of Interior, Division of Wildlife.

"Yellowstone" elk are of particular interest to us in the Yakima Valley, due to their importation from your region in 1913.

Sincerely Yours
