Dear Mr. Relander:

A friend back
in New Jersey had an
aunt who was in the
group who accompanied
the first governor of Wash-
ington Territory.

Her name was Mrs
Florence Campbell Pearce.
Knowing that I used to
do historical research back
in New Jersey this friend
has asked if I would
see if I could find out
something about Mrs Pearce.

I met you when you
were in Richland a

little over a year ago.

Have you any suggestions
where I should start look-
ing for data on this early
settler?

Yours very truly,

Mary R Kingsley
(Mrs. Paul Kingsley)
