

LAST CHANCE BRONZES . . .

AS A LAST chance and prodigious assist to those Western collectors who have always longed for an authentic bronze work by C. M. Russell, we are pleased to announce our appointment as selling agents for such great bronze collections as Homer Britzman, W. Alton Jones, Harry Carey, Jr., Dick Flood, and others. Some 70 different subjects—about half of CMR's known sculptures—ranging alphabetically from *An Enemy That Warns* to *XIT BAR Longhorn* and including such rare major works as *The Bronc Twister*, *The Cryer* and *It Ain't No Lady's Job*, to such little known gems as *Dobie Carey's Goat* are available. It's strictly first-come, first-serve, since for the most part there's only one of each subject. Oh, yes, the price range: from \$400 to \$20,000. If you have a favorite you've long been seeking, let us know immediately. All inquiries should be addressed to The Director, Montana Historical Society.

In addition, we have a stunning group of contemporary bronzes, at low prices.
