

STATE HISTORICAL SOCIETY BUILDING

315 NORTH STADIUM WAY

TACOMA 3, WASHINGTON

September 6, 1957

Dear Click:

I am expecting to go over to Yakima for the last afternoon and evening of the Press Meeting on the 14th. Will be pastured at the Chinook, going by train and arriving at 1:15. Will be leaving the following afternoon. Somewhere along the line I'll try to catch up with you by phone, assuming you will not be in the Temple of Truth on a Saturday afternoon.

Have talked local society tie-up with both Reno and Matt Hill. There is no disagreement as to the need of a closer tie-up with actual members of local societies, nor as to the steps which might be taken.

I think both men are of the mind that 25 cents might be adequate for the financial end. This would cover postage and additional paper for News-Letter. The member would buy the Quarterly if he wanted it, just as Life Members do.

Reno came up with this suggestion, to which Matt agreed very heartily--That the Presidents and Secretaries of local societies be invited to Seattle for a luncheon, with the Society as host or some angel. The whole ~~xxxxxx~~ problem could be discussed around the table and a plan worked out.

You might give this a little thought in the meantime. I am sure the amount must be kept to an absolute minimum. We can urge Quarterly subscription but I feel it should be left optional.

Fraternally
