Dear Sir:

The Prosser Rotary Club would like very much to have you speak on Indian legends at this noon luncheon Feb 20, 1958.

I have heard so many people state the Indians were idol worshippers that a brief review of local Indian Religions would be very interesting along with the local legends.

If you and Ray Travis will come to the Golden Rule Store before noon on the 20th of Feb. I will be glad to take you to the Rotary luncheon.

Yours truly
T Paul Sampson
