Dear Sir:-

I wish to acknowledge your letter of recent date, and to say that you and your friends that went to Olympia were able to do some wonderfully good work. I hope some day to have the privilege of visiting with you regarding this trip.

I will say that as a Road Committee we have taken the matter up with our local newspaper man, and believe that he will from now on leave the subject entirely alone.

I hope to have a visit with Duncan Dunn before I mail this letter, and possibly add to it.

Yours very truly,

McG:N

Chairman of Road Committee
