Dear Mr. Reilander,

Room nineteen made the trip to Fort Simcoe last Friday, May 29. We wish to thank you for talking to us about the fort. Our trip was very successful and much more interesting because of the useful information you gave us. All of us were able to find the old apple tree, but we didn't locate the tree where the two indians were hung. All of us enjoyed the trip very much.

Sincerely yours,
Nancy Freshwater
