THE YAKIMA EPIGRAM By J. D. Medill

Entered at the North Yakima Postoffice as Second Class Matter.

FIFTY CENTS PER YEAR—SPOT CASH

Published every Saturday morning, at the Epigram Printing House on First Street, North Yakima.

OFFICIAL PAPER OF NORTH YAKIMA.

WITH this issue THE EPIGRAM begins its fourth year—this being Number 1 of Volume 4. From a very modest and unpretentious beginning, THE EPIGRAM has grown in favor with the people. Like most other publications, it has experienced trying times, when it seemed as though the people did not want it, and that it must of necessity die. All this has changed. The paper has become popular with the people, it is generally read and widely circulated, its patrons admire its fearless editorial policy, although many disbelieve the principles the paper advocates. THE EPIGRAM seems to be what the people want; but it is not yet through in its evolution—for at no distant day it will again take on a higher form of life and greet its patrons in a new dress.

THE EPIGRAM takes this last opportunity of urging upon the farmers of Yakima county, the great importance of their making a creditable exhibition of fine products at the State Fair. The Fair this year is bound to be a success. It will be visited by thousands of people from a distance, who will come here expecting to see a large and creditable display of Yakima products, as our valley is conceded to be the garden spot of the state. It will not do to allow these people to return home without seeing and appreciating specimens of what we are able to produce. The great value of the location of the Fair at this place, is the opportunity it gives our own people to advertise to the world the great resources of this great valley, and what a desirable locality it is in which to make a home. Many people visit the Fair for no other reason than to examine our products with the view of making a home here. Besides a good local agricultural exhibit is particularly important this year, for the reason that other counties will this year have large exhibits, and are taking a great interest in the Fair, and should they chance to have better exhibits than our own people, our farmers would feel that Yakima had been humiliated and disgraced. The farmers have no just grievance against the present Fair management who offer them free space and every other inducement to exhibit. Let our farmers remember that

their products considered by them ordinary are to other people extraordinary in size and beauty and also that their exhibits must be received by four o'clock on Monday.

WE believe that the people of Yakima county without any distinction of party, were pleased to learn that the honor of a congressional nomination has fallen to a Yakima man in the person of the Hon. W. L. Jones. It is always a pleasure to see a Yakima man thus honored. Mr. Jones is a bright and able man and has long been denied the recognition due him—in fact he has been uniformly unfortunate in politics, and we are inclined to think that his luck has not yet changed for the better. For a republican nomination to Congress in Washington in this year of our Lord cannot be regarded in any other light, than as an empty honor.

THIS is the way the Oregonian correspondent speaks of "Yakima" Jones: "Jones is, I take it, a high-class man of good parts, though neither brilliant or showy. He has an earnest and dignified manner, an excellent presence and a fine voice, which he pitches too high for his own comfort or far that of his audience. He ought to be fairly effective on the stump, less from the merit of his oratory than from his manifest solidity of character." On the whole the thunderer's correspondent didn't seem to be greatly impressed with our Jones.

BY common consent the local political campaign gives way to the State Fair. When the people are tired of looking at the great exhibition, and talking about it, they will be willing to turn their attention to politics again. Meanwhile the candidates may take a breathing spell—and prepare themselves to meet the demand of the committees for soap, on which to run the campaign.

THE Republican state convention denounced everything Fusion, but unlike Alexander, wept not when the field was explored, but proceeded as follows in their declaration of principles: We are in favor of the equal taxation of all classes of property upon the basis of value, and we therefore, oppose the amendment to the constitution proposed by the late Fusion legislature upon the subject of taxation." This is a horse on them, for no such amendment was

ever proposed. Evidently Senator Wilson is unacquainted with the state issues.

IF it be true, as reported, that our Washington soldier boys are after all to go to the Philippines, it will undoubtedly reconcile them to further service. They would no doubt have been in Manila long before this, had it not been for the gross discrimination practiced by Alger.

WITH perhaps the possible exception of "Yakima" Jones, the ticket nominated at Tacoma this week is a comparatively weak one—a ticket that will doubtless do well if it succeeds in holding together the strength of its own party, to say nothing of winning the necessary votes from the opposition.

YAKIMA CITIZENS, in all decency, after inviting people to come to the Fair from all over the state, must take the necessary steps to provide shelter for their guests while here. Every available bed should be reported to the committee.

LET every one in Yakima county attend the State Fair, it is a big thing this year. The commissioners have worked hard for months to make it a success and the indications are that the people will appreciate their work when they see the exhibition.

IF you receive a sample copy of THE EPIGRAM, you can safely conclude that it is given or sent you for the purpose of inducing you to become a regular subscriber. Only 50c per year in advance.

DELINQUENT subscribers to this paper are respectfully requested to call in and pay up. THE EPIGRAM is the cheapest paper in the state; it also pays its bills regularly and demands its dues.

IT is to be hoped that this will not degenerate into a mud slinging campaign, such as we have had in the past. The character of the candidates on both tickets ought to be a guarantee against it.

EVERYBODY will vote for Jones for Representative to Congress, this year.

Additional Local.

J. P. McCafferty returned Friday from Cincinnati, where he had been to attend the G. A. R. reunion.

The lodge of Elks held a special meeting Thursday night to arrange for the stay social to be held on next Thursday night.

The great drama known as The Heart of Chicago drew only a moderate audience to Mason's opera house Thursday night. It is a good play and was well presented. Every one present felt that they got their money's worth.

Mrs. G. MacL. Richards on Saturday evening gave a delightful Musicales to a few friends and acquaintances. An enjoyable time was had by all present. The star of the occasion was Edward Evans, the government engineer, who has won a great reputation as a vocalist.

Mrs. S. C. Henton reported to the sheriff's office Thursday morning that a tramp she had hired to do work around the place had become recalcitrant and ordered her into the house, threatening her with a pitchfork. A warrant was sworn out for his arrest, but he had departed for other fields.

The news came Tuesday night that the Yakima soldier boys had at last been ordered to Manila. The probabilities are that they will have to remain there until their term of service expires. The boys are said to be anxious to go, and under the circumstances the people of this city can only wish them God speed, and that they may again return to their homes safe and sound. Meantime our sympathy goes out to the sweet girls left behind.

E. F. Benson was in the city this week, having lately returned with his wife and daughter from a pleasure trip to Boston, their old home. While absent Mr. Benson visited a number of eastern cities, and states that he found no general prosperity existing in the east. That in special districts where certain lines of manufacturing are carried on he found times fairly good, while in other districts the reverse was true. The prices of farm produce is uniformly low, which causes distress in agricultural communities.

At the August examination of teachers for Yakima county the following named received certificates: May Crosby, Mrs. Mabel Fry, Elsie S. Ferrel, Edna C. Haines, Isabella L. C. Jones, Lettie L. Kingsbury, Minnie M. Look, Carrie B. Livesley, J. O. McIntosh, Belle M. Parker, George Stephenson, Iona Shorow and Anna Willy. Out of 869 papers examined by the state superintendent 606 were passed upon favorably, the largest percentage of any examination held under the new law.

There is no waiting weeks and months for relief while taking Dr. Drummond's Lightning Remedies for Rheumatism. Some cases of years' standing have been entirely cured with one treatment. Relief and benefit are felt from the first, and if the treatment is persisted in, the stiff joints and drawn cords are restored. If your druggist has not got these remedies do not take anything else. STATE FAIR NOTES

The state fair-ground this week is the scene of great activity, in preparing for the greatest event of its kind that has ever been known in Yakima.

H. H. Collier, of Tacoma, is in the city. Mr. Collier is the superintendent of the Poultry Department.

The ladies have been very busy this week in decorating and as a result the pavilion is a marvel of beauty.

On account of the day preceding the beginning of the Fair being Sunday, entries for pastry cooking may be made as late as 3 p. m. Monday.

J. E. Baker, of Tacoma, state commissioner of Horticulture, arrived Thursday night. Mr. Baker is superintendent of the Horticultural Department.

J. Lawson Smith, of the Hazlewood Dairy, Spokane, will arrive to-day with a car load of fine cattle for exhibition. He will also bring with him a choice lot of Spokane poultry.

The owner of Del Norte, the guideless pacer, wires the commissioners that he will be here with his horse. Del Norte will pace on Friday, of the Fair, and on the following Sunday will go an exhibition mile.

The fair management are especially desirous at this time of impressing on the minds of our Yakima farmers the importance of making exhibits of their splendid farm products, and it is to be hoped that the ranchers will respond.

The baby show is scheduled to take place on Friday afternoon at 3 p. m. One of the unique features of this show will be that the three judges who are to bestow the prizes on the youngsters will be young bachelors, whose names will not be announced until the day of the show.

Mrs. Lydia A. Irons will deliver a lecture at the grand stand on Friday, from 10:30 to 11:30 a. m., on the subject "Waste to farmers through thoughtless cruelty to animals. Mrs. Irons is said to be a very entertaining speaker. She lectures under the auspices of the Social Purity League.

The fatal mistake of charging for Agricultural exhibits was done away with this year and the farmers ought to be willing to do all in their power to make the fair a success. The commissioners have labored hard for months and without remuneration for the good of this enterprise, and other people ought to be willing to do something to make this great undertaking a success.

The stables are full of fast horses while carpenters are erecting new ones to accommodate those yet to come. The track is in splendid condition and the horse-men are jubilant at the prospects of a successful meeting. G. McL. Richards has a fine herd of twenty-one head of Holstein cattle on the ground, which he shipped over last week from Enumclaw. Local stock men will be glad to learn that these fine animals are to remain in this county. Large consignments of exhibits have been arriving every day this week which indicates the faith outsiders have in the fair.

Look up our new line of dress goods, from 29c up, at Ditter Bros. 52

OF LOCAL INTEREST

The foundation for the new depot is now well underway.

Married, at Yakima City, Sept. 20, F. W. McMillan to Miss Nannie Richmond.

Local hop men report the market a little stronger than last week, 10½ to 11 cents for a good hop is now the ruling price.

Most of the Yakima delegates to the Republican state convention left for Tacoma Monday night, and the balance followed Tuesday night.

Yakima Tribe of Improved Order of Redmen will give a social at their wigwam, over Reof's drug store, on the sleep of the 29th sun, Corn moon, Common era Sept. 29th, 1898. All visiting brothers are cordially invited to attend.

The Alfalfa clubroom on Monday night was victimized to the tune of \$150. A brace of tin horns, it is said, wired the roulette wheel in such a manner that they were enabled to win all their bets. The trick is said to be a new one, and has set the local gambling fraternity all agog.

A committee has this week made a house-to-house canvass for rooms for excursionists during the Fair and reports so many away from home that this method is taken, of personally asking every one to notify Dr. T. B. Gunn at once of the number they can accommodate and the price per room.

At the meeting of the city delegates to the late fusion county convention, held at the court-house last Saturday night G. H. Moulton and J. C. MacCrimmon were nominated to succeed themselves as Justices of the Peace and F. E. Craig, the present incumbent, and W. H. Sickles were unanimously nominated for constable.

Claude Briggs has moved his music store into the room recently vacated by I. H. Dills, and has just received a carload of new pianos and organs which he proposes to sell at living prices. Mr. Briggs' ability as a piano hustler is well known in this community,—in fact it is doubtful if he has a peer in the state. He will make a large exhibit at the fair. See his ad in another column.

Of the Yakima delegates to the republican state convention five were represented by alternates. Jay Lynch took the place of W. H. Hare; Prof. Barge represented H. B. Scudder; Col. Howlett occupied the seat of J. M. Brown. Geo. Hough went instead of Captain Dunn, while Miles Cannon done Geo. Donald's voting for him. The federal brigade was pretty well represented after all.

Wednesday will be Tacoma Day at the Fair, Friday will be Seattle Day and Saturday will be Ellensburg Day. The Ledger will run an excursion over on Tacoma Day. The Post-Intelligencer will run one over on Seattle Day, and the sweet girls of the Normal School will run an excursion Ellensburg Day. The Ledger, the P. I. and the Normal girls are all right. We commend them for their enterprise.

Sunday, the 18th, was red letter day with local traders, as well as with visiting redmen, their Kloodmen and numerous progeny. The day dawned fair and lovely and by 9 o'clock the indians began to swarm in, with their hard earned savings of the week burning in their pockets. Most of the bucks at

once proceeded, as usual, to load up with about everything they could find to drink—except water—with the result that they were soon in a most hilarious condition. Marshal Grant and his deputies were kept very busy and by 5 o'clock had thirty-seven noisy aborigines rounded up in the Skookum-house; but as they sobered up they were allowed to depart. The squaws and those of the men who kept sober, were liberal patrons of the stores, restaurants and candy-shops. Altogether it was an eventful day, though in all probability no more so than will be tomorrow.

The EPIGRAM acknowledges the receipt of some English papers bearing date of August 27th, through the courtesy of Geo. Gris, of the Moxee. The Kentish Express, published in the great hop district of England, states that the English crop is expected to fall short from one-fifth and one-half from an average. The yield at Kent will average about six hundred-weight per acre. Lice and mould have done the damage.

Col. Howlett wishes it known that subscription may be left at his office or at Hough's Bank in his absence, for the fund for purchasing a silver set for the flag ship, Olympia, to be presented while Dewy is in command. Miss Ada Levering Hanford is at the head of the movement in this state and she has written Col. Howlett, Mrs H. J. Snively, Mrs. Walter Granger and Hon. W. L. Jones asking their co-operation in this locality.

If you suffer from headache, hysteria or nervous prostration, your eyes are affected. Consult Dr. Otto Klug, Schlotfeldt block.

I understand that a report has been circulated that the Vienna was peremptorily closed last Sunday by the marshal. I take this method to denounce the story as an absolute falsehood.

James Smith, a well known character in this city, was arrested by Sheriff Shaw Thursday morning for having passed on Thos. Lund, of the Alfalfa, a forged check for \$25. The check was made payable to Smith and was signed J. M. Bailey. The officers say there is no such man in the county. The prisoner claimed the check was signed by Bailey, the saloon man of Prosser, but the officials say that is not likely as that gentleman's initials are J. H.

Republican Convention.

The Republican state convention which met in Tacoma Wednesday nominated W. L. Jones, of Yakima, and Frank H. Cushman, of Tacoma, for congress. The nominations for supreme judges are Justice Anders, of Walla Walla, the present incumbent and Mark O. Fullerton, of Colfax. Most of the nominations were made by acclamation. But little general interest was taken in the convention, the attendance being smaller than for years.

Shoplifting.

Nothing has done so much to encourage stealing (shoplifting) as the modern department stores and their methods. The problem presented is a difficult one with which to deal, but while merchants have a right to display their goods the public also has rights and duties in the matter. If a banker dumps his cash on tables outside his desk railings and lets people handle it at will, he would not get much sympathy when he complained that it had been stolen, and if he continued the practice because these losses were more than offset by the increased profits which the display resulted in, as is the case with the department stores, there would be much justice in the claim that he had no right to make profits by any method which tended to debauch the public. In short, it may fairly be maintained that it is a prime duty of every citizen to exercise reasonable diligence in safeguarding his own property, and that if he neglects this he becomes in a measure a menace to society.—International Magazine.

Ordinance No. 273.

An Ordinance establishing a local improvement district for the construction of a sidewalk in the City of North Yakima and providing for the assessment of such sidewalk and for the assessment of the cost thereof on the property benefited by such improvement, and for the collection of such assessment.

Whereas, The City Council has heretofore by resolution, duly passed, declared its intention to improve a certain street in the City of North Yakima, in said resolution particularly described, by the construction of a sidewalk thereon, which resolution was duly published as by law required; and whereas, the owners of property affected by said proposed improvement have not filed any protest against the same, as provided by law, and said resolution and the time for filing such has expired; and whereas, the City Council, by resolution duly passed, voted to proceed with said work and improvement, now, therefore,

The City Council of the City of North Yakima do ordain as follows:

Section 1. That for the purpose of making said improvement and assessing the cost thereof on the property benefited, a local improvement district to be known as "Local Improvement District No. 4" is hereby created and established, including within the limits thereof the following described lots and parcels of land, to-wit: Lots No. 6, 7, 8, 9, 10, 11, 12, 13, 14, 15 and 16 in block 32 of the City of North Yakima, according to the plat thereof on file in the office of the County auditor of Yakima County, Washington.

Sec. 2. That the west side of Second Street in said city be improved by the construction of a sidewalk in front of said lots and lands, between the northeast corner of Lot No. 6 and the southeast corner of Lot No. 16 in said block No. 32, according to said plat, and that said sidewalk be constructed in the following manner, to-wit: Said sidewalk shall be eight feet in width and be laid with planks two inches thick and eight inches wide and eight feet long, resting on three stringers, four inches by six inches, and be laid on the same grade as the sidewalk now located in front of said block No. 32; all material used shall be good common fir lumber.

Sec. 3. That the cost and expense of said sidewalk shall be taxed and assessed upon all the property in the local improvement district established by section one of this Ordinance, which cost shall be assessed in proportion to the number of feet of such lands and lots fronting on said sidewalk and included in said improvement district and in proportion to the benefits derived by the construction of said sidewalk; provided that the expense of constructing said sidewalk in the space formed by the junction of two or more streets or where one street terminates in another and of street crossings shall be paid by the City of North Yakima.

Sec. 4. That the Committee on Streets and Ditches of the City Council of the City of North Yakima are hereby constituted a Board of Assessors for the purpose of assessing the costs and expense of the construction of said sidewalk on the several lots and parcels of land included in the improvement district hereinbefore established.

Sec. 5. That immediately upon the completion and acceptance of such sidewalk, when constructed, by the City Council or its authority, it shall be the duty of said Committee on Streets and Ditches to subscribe and take an oath for the faithful performance of their duties as such assessors and proceed to assess the cost and expense of constructing said sidewalk upon upon all the property in the local improvement district herein established, in proportion to the number of feet of such lands and lots fronting on said sidewalk and included in said local improvement district and in proportion to the benefits derived by the construction of said sidewalk; provided, that the expense of constructing such sidewalk in the space formed by the junction of two or more streets, or where one street terminates in another and of street crossings shall not be included in the cost assessed against the property included in said improvement district.

Sec. 6. It shall be the duty of said Committee on Streets and Ditches to prepare an assessment roll which shall contain a description of each lot or parcel of land included in said local improvement district, together with the name of the owner, if known, if not, to be so stated, and the amount of the assessment against such lot or parcel set opposite the description, and in making such assessment the decision of a majority of said committee shall be deemed the decision of the committee.

Sec. 7. On the completion of said assessment roll said committee shall forthwith file the same with the City Clerk and thereupon said City Clerk shall cause the same to be published for two weeks in the newspaper doing the city advertising, together with a notice that said assessment roll is on file in his office subject to the inspection of all persons interested and at the first regular meeting of the City Council after such last publication to be held on a day and hour to be named in said notice, any person feeling aggrieved by reason of such assessment may appear before the City Council and be heard with a view to the amendment of the same. The Council at the time and place designated in said notice, may amend and revise said list if necessary to render the same fair and equitable, and may raise any assessment without further notice than herein provided, and may adjourn from time to time until the work of amendment and revision is completed.

Sec. 8. The City Clerk shall note on said assessment roll, opposite each description, any change or amendment made by the City Council in such assessment, and shall thereupon deliver to the City Treasurer a certified copy of said assessment roll, as revised or amended by the City Council.

Sec. 9. Upon the receipt of such copy it shall be the duty of the City Treasurer forthwith to publish notice in the newspaper, doing the city advertising, for two consecutive weeks, that a certified copy of said assessment roll is in his custody, and that unless said assessments are paid to said City Treasurer within thirty days from the first publication of said notice, the same will be delinquent and be collected according to law.

Sec. 10. It shall be the duty of the City Treasurer to report at the first meeting of the City Council to be held after such assessments become delinquent to the City Council, what portion of said assessments have been paid, by

whom paid, what portion is delinquent, together with a description of the lots and lands upon which said assessments are delinquent included in said local improvement district, together with the names of the owners, if known, and thereupon it shall be the duty of the City Attorney, under the direction of the City Council to enforce by proper proceedings the lien of said assessments upon the lots and lands in said local improvement district against which the assessments have not been paid.

Sec. 11. When assessments are collected by the City Treasurer the same shall constitute a special fund to be known as "Local Improvement District No. 4 Fund" and the same shall be applied in payment of the cost of the improvement herein provided for and to no other purpose and on presentation of any warrant or warrants drawn against said fund the treasurer shall take up said warrant or warrants drawn against the same out of any money in said fund, in the order of the issue of such warrants, or endorse on the back thereof the date and amount of any payment made if not paid in full.

Sec. 12. As soon as said sidewalk is constructed and accepted by the city it shall be the duty of the Mayor and City Clerk to draw a warrant or warrants in favor of the contractor, payable out of the special fund created by section 11 of this Ordinance, for all that portion of the cost of said improvement assessed against the lots and lands in said local improvement district, which said warrants shall bear interest at the legal rate from and after the time when assessments herein provided for, become delinquent, and the City of North Yakima shall be in no manner liable for the payment of said warrants if it uses due diligence in collecting the assessments properly applicable to the payment of the same, and at the time of issuing the foregoing warrants the Mayor and Clerk shall also issue a warrant payable out of the Current Expense Fund for that portion of the cost of said improvement chargeable to the City under the provisions of this Ordinance.

Sec. 13. All assessments levied under the provisions of this Ordinance shall bear interest from and after the same become delinquent at the same rate as general municipal taxes.
