Dear Rex and others:

1212 N. 32nd Ave.

Nov. 6, 1954

I guess you've heard how we are getting ahead finally at Priest Rapids, and that I will explain to you when I see you.

I have just received a letter from Mr. Gilbert, whom we know. He tells me that he does not know anyone by the name of Greenway or Greenwood, the name of the man you told me you were asking you about things and wanted to take the old man and others out to look at things.

If he doesn't know him, he is not one we want to talk to until we find out what it is all about, who he represents and everything like that. Otherwise this will destroy all the work that has been done.

So that is why I am writing.

If this man is sincere, he will write to me or telephone me so I can ask and find out. If he is a friend, we need friends, but inasmuch as Mr. Gilbert does not know him by that name, there is something wrong.

Soon I am going to talk to the people who are helping us and they will discuss fencing the cemetery on the hill and other things like that. So let me know where you will be about Nov. 16 or 18th. I will need to know several days ahead of time that I can write you and have you come here to listen to us talk, meet this people and be able to work with them later.

I hope this letter reaches you and that all of you are well.

goodbye for now
